

2018 HUMAN CAPITAL INVESTMENT CONFERENCE &
GAIL L. WARDEN LEADERSHIP EXCELLENCE AWARD DINNER

November 13-14, 2018 | Chicago
Embassy Suites Magnificent Mile
& Chicago Cultural Center

The event begins on Tuesday afternoon at the Embassy Suites Magnificent Mile Chicago with thought leaders who will explore their leadership journey and the need to build resilient cultures, how we develop joy and meaning for employees and ourselves, and examine ways to use technology to improve our work. It is imperative that we lead across our organizations to improve the lives of our employees, our patients, and our communities.

The **2018 Gail L. Warden Leadership Excellence Award** dinner will be held on Tuesday evening at the Chicago Cultural Center, to honor a healthcare leader whose commitment, values, and contributions have improved the health of the public through leadership and organizational excellence.

The event continues on Wednesday morning when in partnership with Cielo Healthcare, we will recognize the **2018 Best Organizations for Leadership Development (BOLD)** top-ranking organizations. We will showcase the leadership best practices of many leading healthcare organizations that use evidence-informed approaches to leadership development, such as attracting and selecting leaders, talent management, coaching, diversity leadership, and succession planning.

[Registration is now open](#), deadline for registrations is Friday, November 2

For hotel reservations visit the [Embassy Suites Chicago Magnificent Mile](#) by Friday, October 22
